deliberately

• If you move slowly and carefully, you move deliberately.
• What things might you do in a deliberate way? Why?
• If you made up a song, you composed it.
• Would you compose a poem or a cake?

composed

I am a robot.
A robot, am I.

Computer for brains
and cameras for eyes.
I’m metal and wires;
not muscle and skin.
I’ve no larynx for talking,
but a speaker, built-in.

I think zeroes and ones
in magnificent fashion.
I get to an answer,
but never with passion.
Don’t worry about me,
I don’t have a mind.
For me there’s no mystery.
I don’t wonder,
“why”?

I am a robot.
A robot, am I?
gratitude

• If you thank someone for something, you are showing gratitude.

• Why is shaking someone's hand showing gratitude?
If you are kind to someone, you are showing compassion.

Is this photograph an example of showing compassion? Why or why not?
swift

- Something that is swift moves very quickly.
- Which animal moves swiftly?
vain

• If you are vain, you think very highly of yourself.

• Is a vain person likely to look messy? Explain.
overheard

• If you overheard what people said, you heard it without them knowing that you were listening.

• If you overheard, someone’s secret, what would you do?
• If you suggested something, you gave someone an idea.

• Are you most likely to want to do what someone suggested or what someone demanded? Why?
enormous

- Something that is enormous is very big.
- What is the most enormous meal you ever ate?
exclaimed

• If you exclaimed something, you said it excitedly.
• If you exclaimed with joy, what might you say?
